## **FRED WILLIAMS HOMEBUILDER WELCOMES MARIAN MERCER**

SAVANNAH--Marian Mercer has joined Fred Williams Homebuilder, Inc. as an integral part of their New Home Sales team. "We are proud to welcome Marian to our team of Elite Sales Professionals," said Stevie Williams, Sales Manager of Fred Williams New Home Sales. "Our team is small, only made up of five members, but they are strong and intelligent. Marian brings the knowledge and qualities that it takes to be a part one of the area's top sales teams."

Marian is a native of Savannah and attended Armstrong Atlantic University. She moved to Navarre Beach, Florida where she started her own real estate brokerage. In 2001, Marian returned to Georgia and started building relationships and strong ties within the community.

Marian is very active in the Effingham County area where she continues to assist buyers and their agents in locating the perfect home to suit their needs. "Effingham County is a pleasure to sell - larger lots, a strong public school system and affordable taxes make it a prime location in the Savannah Metropolitan Area," stated Marian.
